Dear City Counselors,

My name is Katie and I am a voting resident in Cambridgeport. I have lived here for nearly 5 years, having moved from Washington, DC for grad school, and have stayed here while I go through the ordination process in the United Church of Christ. I love living in Cambridge!

As a Cambridge resident, a prison abolitionist and a Christian, I urge you to support Mass Against HP in the discussion on the 23rd. This is a matter of urgency. Hewlett Packard technology has a role in supporting Israeli attacks on peaceful demonstrators participating in the March for Return. It is used to track immigrants in this country and to operate U.S. prison systems. I do not want my tax dollars going to this corporation.

Thank you for your time,

Katie Omberg
